

EDMONDS RACING NEWSLETTER

What a busy month it was for the Edmonds Racing stable. The Magic Millions sales and race day have come and gone for another year. The stable recorded 11 winners in January and for the five months of the season already have 55 winners. A huge thanks to all our staff for their efforts over this very busy period.

Magic Millions Race day wasn't quite as eventful for us in 2018 as it was in 2017 when Houtzen won the 2yo race. This year Whypeeo led and ran a very gallant fourth in the 3yo race. He is now in the paddock for a well earned break. Our other runners that day didn't have much luck with both I am Impinge and Sylpheed enduring tough runs throughout from their barriers and stable stalwart Siegfried pulling up sore from the firm racing surface.

On the sales side we bought some beautifully bred yearlings and look forward to racing them with our owners as they turn two later this year. Without a doubt the best pedigreed yearlings we have purchased and I'm really excited to see these yearlings begin their racing careers later this year.

On behalf of all us at Edmonds Racing thanks for your continued support and look forward to seeing you in the winner's circle.

Regards,

Toby and all the team at Edmonds Racing

Clockwork Orange Saturday Win with Authority

Progressive 4yo Mare **Clockwork Orange** (More than Ready x Private Steer) won her first Saturday metropolitan race at the Sunshine Coast on January 27. Ridden by Jeff Lloyd she jumped to the lead and was never seriously threatened winning by a length and a quarter in smart time. Toby said *"this mare is a very progressive type and impeccably bred and continues to improve with racing. She handled the rise to 1400m without any concern and with her continued improvement she has the potential to be a stakes winning mare which we will aim with her during the winter"*.

Plenty of smiles after her win at the Sunshine Coast.

Dream Master Leads Them a Merry Chase

Dream Master (Dream Ahead x Excellent Lady) led throughout for his second consecutive win this preparation at the Australia Day meeting at Doomben. This 4yo gelding who was a little wayward last preparation including a buck jumping display one day at Murwillumbah - jumped, led and skipped away around the turn to win by two and a half lengths in the 1200m event. *"He has matured this campaign and is racing really well, we will continue to take him through his grades and see how far we get with him"* said Toby.

Sizzling Ace Lucks a Fortune in Racing

Two year old filly Sizzling Ace (Sizzling x Big Birdie) was a tragedy beaten at the Sunshine Coast at the Saturday metropolitan meeting on January 27. In fact she has been unlucky in all her three starts this campaign drawing wide barriers. The filly dwelt at the start and got checked and hampered around the turn and then charged home to finish second only beaten a length to the tearaway leader Pennino. *"I can't believe she's still a maiden" said Toby, "she hasn't had any luck in any of her three starts thus far. She has good ability this filly. We will put her away now and bring her back for the 2yo races during the winter carnival."*

Plucky Girl Reward for Consistency

Ever consistent 4yo mare Plucky Girl (Pluck x Logans Choice) won a deserved Saturday metropolitan race at her home track on the Gold Coast on January 6 leading throughout over the 1400m. *"This mare never runs a bad race, she is ever consistent and deserved this win. She thrives with how we train her, she spends time at our farm between runs and that keeps her fresh and alert and she only comes back to the stables the week before her next race. A number of our horses enjoy being trained this way and the variety of both paddock and stable within the preparation ensures the preparation can sometimes include a couple of extra runs and keeps the horses fresh and mentally alert"*

Plucky Girl too good for her rivals.
