

RACING AUSTRALIA
FEES NOTICE IN RELATION TO TRAINING SERVICES BETWEEN:
Greg Eurell and Owner in relation to:
Horses trained at Cadet Lodge

IMPORTANT NOTES

A copy of our Training Agreement incorporating the TOR Rulings can be found here: <http://gregeurell.com.au/services>

- Under the TOR Rules a Fees Notice must be provided by the Trainer to the Managing Owner with 7 days of the horse being accepted into the stable. Our Training Agreements and Fees can be found at any time on our website under the Services TAB or a link is provided at the bottom of emails from our Racing Manager and is always accessible. If the Managing Owner does not object to this Fees Notice within 14 days, the basis for charging set out is deemed to have been accepted.
- It is not possible for the Trainer to indicate to the Owner in advance the exact total monthly/yearly cost for training a horse. This is because while some fees are charged at a fixed daily rate (e.g., daily training fee), others are variable (e.g., per treatment for veterinary services). Also, horses vary in the rates at which they mature and progress, including while on agistment and through each preparation, which can influence the total fees for a particular horse.
- Race entry fees are not included in this Fees Notice – they are additional to the costs set out herein. The Trainer should inform the Managing Owner of those fees as soon as practicable.
- Fees and Charges are invoiced monthly in arrears. This notice is an estimate only and not a fixed price Quotation.
